Vol. VI, No. 49

Bowling Green State University

June 20, 1983

## In Brief

### CHANGE IN PROCEDURE

Effective Tuesday, July 5, all classified employees must submit any leave request forms to the Payroll Office along with their timecards.

Sick leave, vacation or leave without pay requested and approved by supervisors on the green leave form should correspond with the hours specified on the timecard.

If an employee is on sick leave on the day that timecards are sent to payroll and has not completed the leave request form, the employee's supervisor should complete the form as accurately as possible and submit it with the timecard.

Cooperation in following these procedures will assist both the payroll and personnel offices in maintaining accurate records of time worked and of sick leave and vacation balances.

### BOXES ARE MISSING

Dr. Ray Browne, popular culture, is looking for some boxes he sent several months ago from the Popular Culture House to the Jerome Library.

The cartons, from Jay J. Bhatt of East Greenwich, R.I., never arrived at the library and Browne is seeking the assistance of the University community in locating them.

Faculty and staff are asked to check boxes in their office to see if the missing cartons are among them. If so, send them immediately to Browne at the Popular Culture House.

### COPIER FOR SALE

The Student Recreation Center has for sale to offices and departments only a Savin 780 Copier, four years old. For further information call the Rec Center office at 372-2711.

## Food service wins two national awards

The University will receive two awards from the National Association of College and University Food Services during the organization's annual conference July 5-8 in Atlanta, Ga.

The food operations area has been cited for both its residence dining service menus and its "Goodie Service," a special promotion enabling parents to send birthday cakes, cookies or brownies to students living on campus.

Jane Schimpf, food operations, whose work led to the recognition, will accept the awards on behalf of the University. Schimpf recently was elected secretary of the NACUFS Region IV, which includes Ohio, Indiana, Michigan, Illinois and Wisconsin.

Also attending the Atlanta conference will be Barbara Erisman, food operations training coordinator, who will conduct a session on human relations with Byron Kamp of Valparaiso University.

## New personnel office to coordinate administrative staff services

Administrative staff will have a new resource available to them after July 1 with the opening of an Administrative Staff Personnel Service to be directed by Susan Caldwell, currently manager of personnel programs in the Office of Personnel Support Services.

According to Caldwell, one of the primary functions of the new office will be to work with the newly formed Administrative Staff Council to coordinate programs and services for the University's approximately 350 administrative, or contract, staff.

Caldwell, who said the need for such a resource for the administrative staff has been recognized for several years, noted that the Contract Staff Classification Study initiated in 1980 heightened awareness of the need for such a service, adding that the Administrative Staff Council created last year also served as a catalyst for the formation of the new office.

"Administrative staff have had no central place to go for help in such areas as administering and interpreting benefits

and policies or discussing opportunities for professional training and development," Caldwell said. "This office should begin to solve that problem."

Emphasizing that one of the major functions of the new office will be to keep channels of communication open among administrative staff, Caldwell said her first priority will be to inform administrative staff of the services the new personnel office will provide and to gather input from the staff on what needs should be met by the office. To keep communication flowing, she said, "Confidentiality, a key to any personnel function, will be foremost in this office."

Specifically, she expects the office to be involved in staff counseling and advising, maintaining and updating personnel records, coordinating employment activities, assisting the Administrative Staff Council on matters concerning benefits, professional development, training and policies; explaining and implementing University policies relative to administrative staff, and bettering employee relations.

She emphasized that the office will not infringe on any existing practices, but will instead act as a service, attempting to relieve other offices and individuals of the technicalities involved in such activities as forming search and screening committees and hiring procedures. In general, she said, the office will centralize employment activities that have been done in numerous other areas in past years. It will work in close cooperation with the affirmative action office.

Reporting to Dr. Richard Eakin, vice president for planning and budgeting, the office will include Caldwell, Shirley Colaner, coordinator of contract personnel information, and a secretary.

A location for the new service is yet to be announced.

## Morgan appointed acting H&CS dean

Dr. Edward Morgan, associate dean of the College of Health and Community Services, has been appointed acting dean of the college.

He succeeds Dr. Mary Edmonds, who was named last month as vice president for student affairs.

According to Dr. Karl E. Vogt, interim vice president for academic affairs, a national search for a permanent dean will begin Sept. 1. Morgan, whose appointment is effective immediately, will serve in his new position until a permanent dean is named.

## Admissions office names assistant

Cheryl Krocker, former assistant director of admissions at Alfred University in Alfred, N.Y., has assumed new duties as assistant director of admissions at Bowling Green.

A graduate of Ohio State University, she taught English and journalism for two years and worked as an audio engineer and studio manager for Creative Images Recording Studio in Toledo before accepting a position in the admissions office at Ashland College in 1980. She held that post until 1982, moving from Ashland to Alfred University.

Krocker fills one of two vacancies in the admissions office created by the recent resignations of Adele Solomon and Deborah Strong.

## Datebook

### Monday, June 20

Frances Burnett, piano, faculty recital, 8 p.m., Bryan Recital Hall, Moore Musical Arts Center. The program will include the Bowling Green premiere performance of "Romance for Piano and Tape" by Dr. Burton Beerman, music composition and history.

### Monitor

Monitor is published weekly for faculty and staff of Bowling Green State University. The deadline to submit copy for the next issue, Monday, June 27, is 5 p.m. Tuesday, June 21.

Editor: Linda Swaisgood

# Faculty & Staff

## Grants

**Drs. Garrett Heberlein and Thomas B. Cobb**, Graduate College, \$7,521 from the Public Health Service, Dept. of Health and Human Services, fourth-year funding for a biomedical research support program designed to stimulate biomedical research at the University. Planned use of this fourth-year funding is for individual project support; for the purchase of centralized research equipment and for program modernization.

**Dr. Donald Leventhal**, psychology, \$10,412 from the East Center for Community Mental Health, funding for clinical training positions for pre-doctoral intern/trainees in clinical psychology.

**Dr. Douglas C. Neckers**, chemistry, \$69,100 from the Division of Materials Research, National Science Foundation, for continued research in the synthesis of template polymers, the study of photo-initiated polymerizations and the study and design of new AZO polymers.

**Dr. R.C. Woodruff**, biological sciences, \$90,000 from the National Science Foundation, renewal funding for the University's Drosophila Stock Center, one of only two in the nation.

## Recognitions

**Dr. Leslie J. Chamberlin**, educational administration and supervision, has been named to a three-year term as consulting editor for *The Clearinghouse*, the oldest continuing publication journal in the field of education. Chamberlin has been associated with the publication in an editorial capacity for more than 10 years.

**Tom Davenport**, art, and **Lynn Hostetter**, public relations, received bronze awards in annual design competition sponsored by the Ad Club of Toledo.

Davenport received his award in the public relations/public service category for a faculty retirement party invitation he designed for the School of Art.

Hostetter won her award in the point of purchase/display category for a poster she designed for the University Theater's production of "The Elephant Man."

## Publications

**Dr. Patricia L. Reed**, educational curriculum and instruction, edited a monograph on "Mainstreaming in Secondary Schools: Focus on Research" published last spring by the Ohio Association of Teacher Educators and the Ohio Association of Colleges for Teacher Education with funding from the Office of Special Education and Rehabilitative Services, U.S. Dept. of Education.

Bowling Green faculty who contributed to the monograph included **Dr. Ellen U. Williams** and **Dr. Steven C. Russell**, special education, who collaborated with **Isabel Hansen**, education, and **Barbara Jackson** of the Bowling Green City School on "A Study of Discrepancies between Perceived Needs and Training of Teachers of Students with Behavioral Handicaps."

Reed and **Dr. Robert L. Reed**, educational foundations and inquiry, co-authored "Effects of a Curriculum Development Project Upon Regular Secondary Faculty."

Several College of Education faculty contributed articles to a recently published special issue of *American Secondary Education*, edited by **Dr. Bill Reynolds**, educational curriculum and instruction and published by the University and the Ohio Association of Secondary School Administrators. The focus of the special issue was the effective schools movement. Faculty others who contributed included:

**Dr. Martha W. Tack**, educational administration and supervision, and

doctoral fellow **Anna Benson**, "Reaching the School's Silent Partners Through a Personal Approach to Public Relations;"

**Dr. JoAnne Martin-Reynolds**, educational curriculum and instruction, and **Reynolds**, "The Effective Principal in Today's Schools;"

**Dr. Leslie Chamberlin**, educational administration and supervision, "Effective Discipline for Effective Schools;"

**Dr. Morris J. Weinberger**, educational administration and supervision, "It's Worth the Trouble! Reducing Stress in the Secondary School;"

**Dr. Neil A. Pohlmann**, educational administration and supervision, "School-Community Involvement: The Need For It and the How-To-Do-It;"

**Bonnie Eddy**, doctoral fellow, educational administration and supervision, "Planning the Reorganization of Education;"

**Dr. Daniel P. Heisler** and doctoral fellow **Mary Anne Dalton**, "The Workshop Way: Success for Every Student."

**Drs. Ralph St. John and Nancy Shafer**, applied statistics and operations research, and **Dr. R.C. Woodruff**, biological sciences, "A computer analysis of the statistical significance of mutation rates," in *The Journal of Heredity*, vol. 74, 1983.

## Presentations

**Dr. Susan Arpad**, women's studies, presented an illustrated lecture, "Women's Lives Reflected in Women's Domestic Arts," at the Rutherford B. Hayes Presidential Center in Fremont in May.

**Drs. Gerald Auten and Kevin Beebe**, economics, spoke on "An Econometric Analysis of the Relationship between Marginal Income Tax Rates and Individual Portfolios" at the meeting of the Ohio Association of Economists and Political Scientists May 13-14 in Columbus.

At the same meeting, **Dr. Leo Navin**, economics, presented "Recent Developments in Ohio's State Tax Structure."

**Drs. V.N. Krishnan and C.R. Chittle**, economics, spoke on "The Economic Impact of the Growth of the Service Sector in the U.S. and Ohio."

**Dr. Jerone Stephens**, political science, presented "Regional Impacts and Congressional Change: The South and Midwest from 1961-1981."

**Dr. David W. Chilson**, computer science, and **Michael E. Kudlac**, Owens-Corning Fiberglas, presented a paper, "Database Design: A Survey of Logical and Physical Techniques," at the ACM Database Week Conference May 23-26 in San Jose, Calif.

**Dr. Stephen Gregory**, physics and astronomy, was one of four astronomers invited to participate in a symposium on the "Large Scale Structure in the Universe" as part of the 1983 annual meeting of the American Association for the Advancement of Science. His paper, "Superclusters and Filaments," was delivered on May 29 at the Detroit Renaissance Center.

**Dr. Kathleen Howard-Merriam**, political science, will present a paper on "Women's Participation in Morocco's Development: How Much and For Whom?" at the Maghreb Review international conference June 27-28 in London.

## Faculty/Staff Positions

The following faculty positions have been authorized:

**Art:** Instructor, design. Contact Maurice Sevigny (2-2786). Deadline: June 23, 1983

**Journalism:** Instructor. Contact John Huffman (2-0349). Deadline: July 5, 1983

**Mathematics and Statistics:** Instructor (six position openings). Contact Charles Holland (2-2636). Deadline: Open

**Special Education:** Assistant/associate professor. Contact H. John van Duyne (2-0151). Deadline: June 24, 1983

The following contract position has been approved:

**Athletics:** Assistant football coach. Contact Denny Stolz (2-2401). Deadline: June 24, 1983

At the same conference, **Dr. John G. Merriam**, political science, will present a paper on "Morocco's Commitment to Agrarian Reform and Rural Development: An Examination."

**Dr. Ralph St. John**, applied statistics and operations research, spoke on "Regression Diagnostics" at a spring meeting of the Cleveland chapter of the American Statistical Association in Cleveland.

**John Sampen**, music performance studies, was the guest soloist with the Pittsburgh New Music Ensemble in its April 10 performance of "Concerto for Saxophone" by Walter Mays.

**Jack A. Taylor**, educational development, spoke on "Improving Retention: What Can We Do?" at the spring conference of the Ohio Association of Educational Opportunity Program Personnel April 24-26 at Sawmill Creek Lodge in Huron.

**Adrian R. Tio**, art, exhibited a pen and ink drawing and a lithograph in the 31st annual spring art show sponsored by the Lima Art Association. The regional, juried exhibition was displayed through May 13 at the Alma Gallery in Lima's Memorial Hall.

Two of his paintings currently are being shown in the Toledo Area Artists 65th Annual Exhibition at the Toledo Museum of Art. His painting titled "Sinistra e Destra" won a third place award in the exhibit.

Another of his works is being shown as part of the 27th annual June Art Exhibition at the Wassenberg Art Center in Van Wert. This work, a lithograph titled "Ancestral Imagery: Their Masques," received an honorable mention award.

## Employment Opportunities

### CLASSIFIED EMPLOYMENT OPPORTUNITIES

\*Indicates that an internal candidate from the department is bidding and being considered for the position.

### NEW VACANCIES

Posting Expiration Date: 5 p.m. Monday, June 27, 1983

6-27-1 \*Storekeeper 1  
Pay Range 25  
University Union

6-27-2 Clerical Specialist  
Pay Range 25  
College of Education/EDCI  
Temporary part-time for approximately one year

### CONTINUING VACANCIES

Posting Expiration Date: 5 p.m. Monday, June 20, 1983

6-20-1 Clerical Specialist  
Pay Range 25  
Financial Aid & Student Employment

6-20-2 Library Media Technical Assistant 2  
Pay Range 26  
Library/Government Documents
